2. No action toward another student within the school community will or intend to diminish the student's reputation within the school community.
3. Any action that contributes to a perception of Bullying, whether it occurs during school time, or after school hours, or whether by electronic or other means, will be addressed by the school if it is determined that the actions impact the well-being of the alleged victim within the school community.
4. Any action that humiliates or contributes to diminishing the reputation of a student because of race, religious beliefs, colour, gender identification, gender expression, physical disability, mental disability, ancestry, age, place of origin, marital status of parents, source of income of parents, family circumstances, or gender expression, or gender identity of a student.

 - a) conduct themselves in a manner which upholds the dignity and worth of all members of the school community;
 - b) be aware of and adhere to their school’s code of conduct; and
 - c) be aware that these expectations form the school’s and division’s standards for creating a safe and caring school.
12. Appropriate interventions and supports will be provided to the student who has engaged in wrongdoing to ensure that the student establishes productive, positive behaviors in the future.

A specific Code of Conduct for Students to support these expectations is as follows:

SKTA Expectations

St. Kateri Tekakwitha Academy affirms the joint responsibility of home and school in guiding students to behave in acceptable, positive ways. Students are expected to demonstrate responsibility in meeting both individual and group expectations. In dealing with unexpected behavior, an attempt is always made to relate the incident using logical consequences and restorative justice practices to maintain the dignity of the person. The school will attempt to assist those students who have difficulty with punctuality, attendance, completion of assignments, or inappropriate behavior. Parents/guardians will be advised of difficulties if the need arises and a plan will be developed.

Within our school, we are an inclusive community where respect for one another, our community and diversity are celebrated. We have explored the Seven Grandfather Teachings and Catholic virtues and we reflect these qualities in our daily lives. We will continue to work on this throughout the year to create a schoolwide **Positive Behaviour System** as we foster positive relationships, student leadership, and a focus on helping those around us to uphold the virtue of respect. Just like our mascot, The Bison, at the cornerstone of our Positive Behaviour Support System, students are expected to demonstrate **Respect** with other students and staff and adhere to the following:

- Students are expected to respect and respond to how other students request to be treated.
- Students have a responsibility to treat others in our school community like they would want to be treated so that they will be fully accepted and valued by all other students.
- Justification by the instigator of harmful behaviour to others (ie. “I was just joking”) does not minimize the behaviour.
- Behaviours that are harmful to others, or result in marginalizing others because of who they are, where they come from, who they like and associate with, and where they live, are considered to be acts of bullying.
- Students are expected to utilize the school’s problem-solving framework when dealing with peer conflict. This includes:
 - Talk to the peer first
 - When needed, ask an adult for help
 - Do not be reactive

“SKTA Teachings in Action”

We will be focusing on continuing to develop the virtue of respect and what it looks like in various areas of the school as well as in situations that arise. We will be celebrating the successes we see in our students as they strive to follow the expectations. We host monthly “**BISON**” luncheons that showcase students reflecting respectful qualities in their daily lives.

This code will be reviewed for its effectiveness in meeting Division expectations annually.
