At the time of the meeting, there is \$10,739.79 in the Friends of SKTA account.

Bison Wear: \$115.00 in profit from first round of orders. Still waiting on the profit numbers from 2nd round of orders. Some complaints from families are coming in regarding the quality of clothing. We will be looking into using a new company for clothing orders for the next school year.

Bibles are distributed to grade 4 students every year. Admin suggested giving out upgraded bibles to the kids but they are at an additional cost. Admin asked Friends of SKTA to cover the cost of these bibles for next year and moving forward. Approx cost for next year is \$665.00. All attendees voted in favor of covering this extra cost moving forward.

Old Business:

Karra got another quote for the outdoor classroom cover. Quote came in at \$110,000.00. She has asked for a detailed breakdown of those costs.

Teachers are wanting caddy’s to hold stationary, etc as well as a portable microphone to be used in the outdoor classroom. Cost for microphone approx \$42, caddies \$36. Whiteboards and markers are needed as well. Approx cost for all items would be \$150.00.

There is a \$30,000.00 grant available through the province that can be used toward the outdoor classroom cover. Will need to apply before April. Jamie to research other grants to apply for.

Outdoor Movie Night: No decision at this point to have the movie night. Cost was quite a bit higher than anticipated.

Stacey to reach out to Mike Palma (DJ) re: September dance availability.

Draw for \$25 Starbucks card: Miss Boddez winner.

Next Year Fundraiser Ideas:

- School Dance
- Mabels Labels (current fundraiser to close at the end of June. Will reopen for Fall orders)

- Discussion re: less fundraisers (maybe 3 per year?)
- DFS increases profit if booked earlier. Stacey will set up for next year.
